

**KDR ENGINEERING CONSULTANTS LTD.
& ACI BC CHAPTER**

***Concrete Field Testing Technician
Certification Course***

Date: *Friday*, November 28, 2008 (1:00 pm - 7:00 pm)
Saturday, November 29, 2008 (8:00 am - 3:00 pm)

Place: 47189 Bailey Road (Take Exit 123, Prest Road, go south 4 km to Bailey Rd.)
Chilliwack, BC

Cost : \$505.00 + GST (\$530.25 total) - FULL COURSE
\$305.00 + GST (\$320.25 total) - RECERTIFICATION

OBJECTIVE

Participants will gain an understanding of basic concrete field testing, and with hands-on practice will develop skills needed to pass the performance exam and written exam for ACI Field Testing Technician - Level 1. This certification is based on the **2004 CSA Standard A23.2** test methods.

MATERIALS & PROGRAM

In advance of the course, each participant will receive a Student Manual describing the seven required CSA procedures for fresh concrete testing. There will be a lecture and two practice sessions during the course. The written and performance exams will be conducted on the Saturday. Individuals passing these exams, scored by ACI's Certification Dept., will be awarded a five year certification.

Please **confirm your registration via fax or Email by November 10, 2008** in order to receive the Student's Manual for studying the required standards prior to attendance. **Payment required by November 28, 2008.**
